chantlers pre-school

Chantlers Pre-School has operated for *over 20 years* and is situated in a purpose built self contained building within the grounds of Chantlers Primary School. We are a registered charity and are independently run by a committee made up of parents. Parental involvement within our setting is always welcome.

We provide morning and afternoon sessions and these operate from **9.00am to 12:00am** and **12:45pm to 3:45pm**. Current fees are available on request and we do offer government nursery funded places for pre-school aged children.

Children of any age can be placed onto the waiting list and we accept children from two and half years of age. However priority is given to pre-school aged children. Further places are allocated on an 'age order' basis is dependant on availability.

We follow the **EYFS Framework** and within this we cover the early learning goals. We operate a key person system for all children in our care and build individual records of your childs development.

We provide the children in our care with Child lead activities and experiences within stimulating surroundings. All the children are given opportunities to learn in a happy and caring enviroment.

All children in our care are respected and valued for there individuality. The given opportunities to explore, acknowledge and value similarities and differences between them selves and others.
